COMPANY PROFILE

Company Profile

Guangdong Dibo Technology Co., Ltd. is a private high-tech enterprise integrating independent design, research and development, production, and sales of silicone products and rubber and plastic products. It was formally established in 2011, with its headquarters located at No. 34, Huangwu Industrial Road, Dongkeng Town, Dongguan City, Guangdong Province. It has an industry technical team with more than 25 years of experience, 120 employees, and a factory area of 8,000 square meters.

Specializing in multiple silicone rubber fields including infant and toddler products, daily necessities, medical products, and electronic 3C accessories, the company boasts a professional design and development team, offering a “one-stop shop” service that integrates design, mold making, and production. The company operates 28 solid-state machines ranging from 300 to 500 tons, 6 liquid-state machines from 120 to 150 tons, four 12-16 color dip molding lines, 40 injection molding machines, five CNC machining centers, and various other silicone production equipment. The company also has professional testing equipment and measurement laboratories, and has obtained certifications such as BSC1, ISO 9001, ISO 13485, IATF 16949, and ISO 4001.

Color : Red, green, pink, blue, etc.(Support customized color)

Suitable Age : 4 months old and above

Selling Points : Golden curve handle, soft touch toughness, does not hurt the teeth and oral cavity, easy to flexibly foraging, feeding a good partner; one-piece design, cleaning does not hide dirt.

Friendly Reminder : Due to different environments, there may be color differences when shooting, please prevail in kind!

Panda Stainless Steel Dinner Plate

Material : Made of food-grade stainless steel and silicone, non-toxic and harmless, suitable for infants and young children

Size : 192*220mm

Weight : 333g

Color : Goose Yellow, Treasure Blue, etc.(Support customized color)

Suitable Age : 18 months old and above

Selling Point : Selected 304 stainless steel, peace of mind contact with food, safe and durable high temperature resistance, thick silicone outer layer, strength and anti-scald, one-piece molding, removable design, easier to clean.

Friendly Reminder : Due to different environments, there may be color differences when shooting, please prevail in kind!

Rabbit Head Silicone Dinner Plate

Material : Food-grade silicone, non-toxic and harmless, suitable for infants and young children to use.

Size : 168*180*27mm

Weight : 198g

Color : Orange, light blue(Support customized color)

Suitable Age : 6 months old and above

Selling Point : Three-quarter dining plate, scientific separation of non-stringing flavor, hot and cold compatible, cooking at will, comes with a strong suction cup, a variety of smooth surface countertops can be used, firmly adsorbed desktop, not easy to displace.

Friendly Reminder : Due to different environments, there may be color differences when shooting, please prevail in kind!

Cat Head Silicone Dinner Plate

Material : Food-grade silicone, non-toxic and harmless, suitable for infants and young children to use.

Size : 163*209*23mm

Weight : 218g

Color : Pink, Orange, Sky Blue(Support customized color)

Suitable Age : 6 months old and above

Selling Point : Three-quarter dining plate, scientific separation of non-stringing flavor, hot and cold compatible, cooking at will, comes with a strong suction cup, a variety of smooth surface countertops can be used, firmly adsorbed desktop, not easy to displace.

Friendly Reminder : Due to different environments, there may be color differences when shooting, please prevail in kind!

Lantern Bowl

Material : Food-grade silicone, non-toxic and harmless, suitable for infants and young children to use.

Size : 110*120mm

Weight : 237g

Color : Red, yellow(Support customized color)

Suitable Age : 18 months old and above

Selling Point : Stainless steel material is strong and durable, the silicone part is soft and tear-resistant, long service life, silicone base is non-slip, solid and not easy to knock over, drop-proof and anti-scald, suitable for baby use.

Friendly Reminder : Due to different environments, there may be color differences when shooting, please prevail in kind!

Two-color printed thin bib

Material : Made of food-grade silicone, safe and non-toxic, baby chewing is not worried about

Size : 310*230mm

Weight : 75g

Style : Hot air balloon, giraffe, sheep, deer (support custom colors/styles)

Suitable Age : 6 months-4 years

Selling Point : 6 neck strength can be adjusted, soft, no burrs, rounded not to strangle the neck, the bottom of the 3D anti-leak groove, the depth of the appropriate, soup and rice a “pocket” in the end, can be folded and rolled up in order to store.

Friendly Reminder : Due to different environments, there may be color differences when shooting, please prevail in kind!

Solid Color Printed Bib

Material : Made of food-grade silicone, safe and non-toxic, baby chewing is not worried about

Size : 310*230mm

Weight : 75g

Color : Blue whale, yellow rabbit(Support customized color)

Suitable Age : 0-18 months old and above

Selling Point : 4 neck strength adjustable, soft, no burrs, rounded not to strangle the neck, the bottom of the 3D anti-leak groove, the depth is appropriate, soup and rice a "pocket" in the end, can be folded and rolled up in order to store.

Friendly Reminder : Due to different environments, there may be color differences when shooting, please prevail in kind!

Ruffle Silicone Placemats

Material : Made of food-grade silicone, non-toxic and harmless, suitable for infants and young children to use.

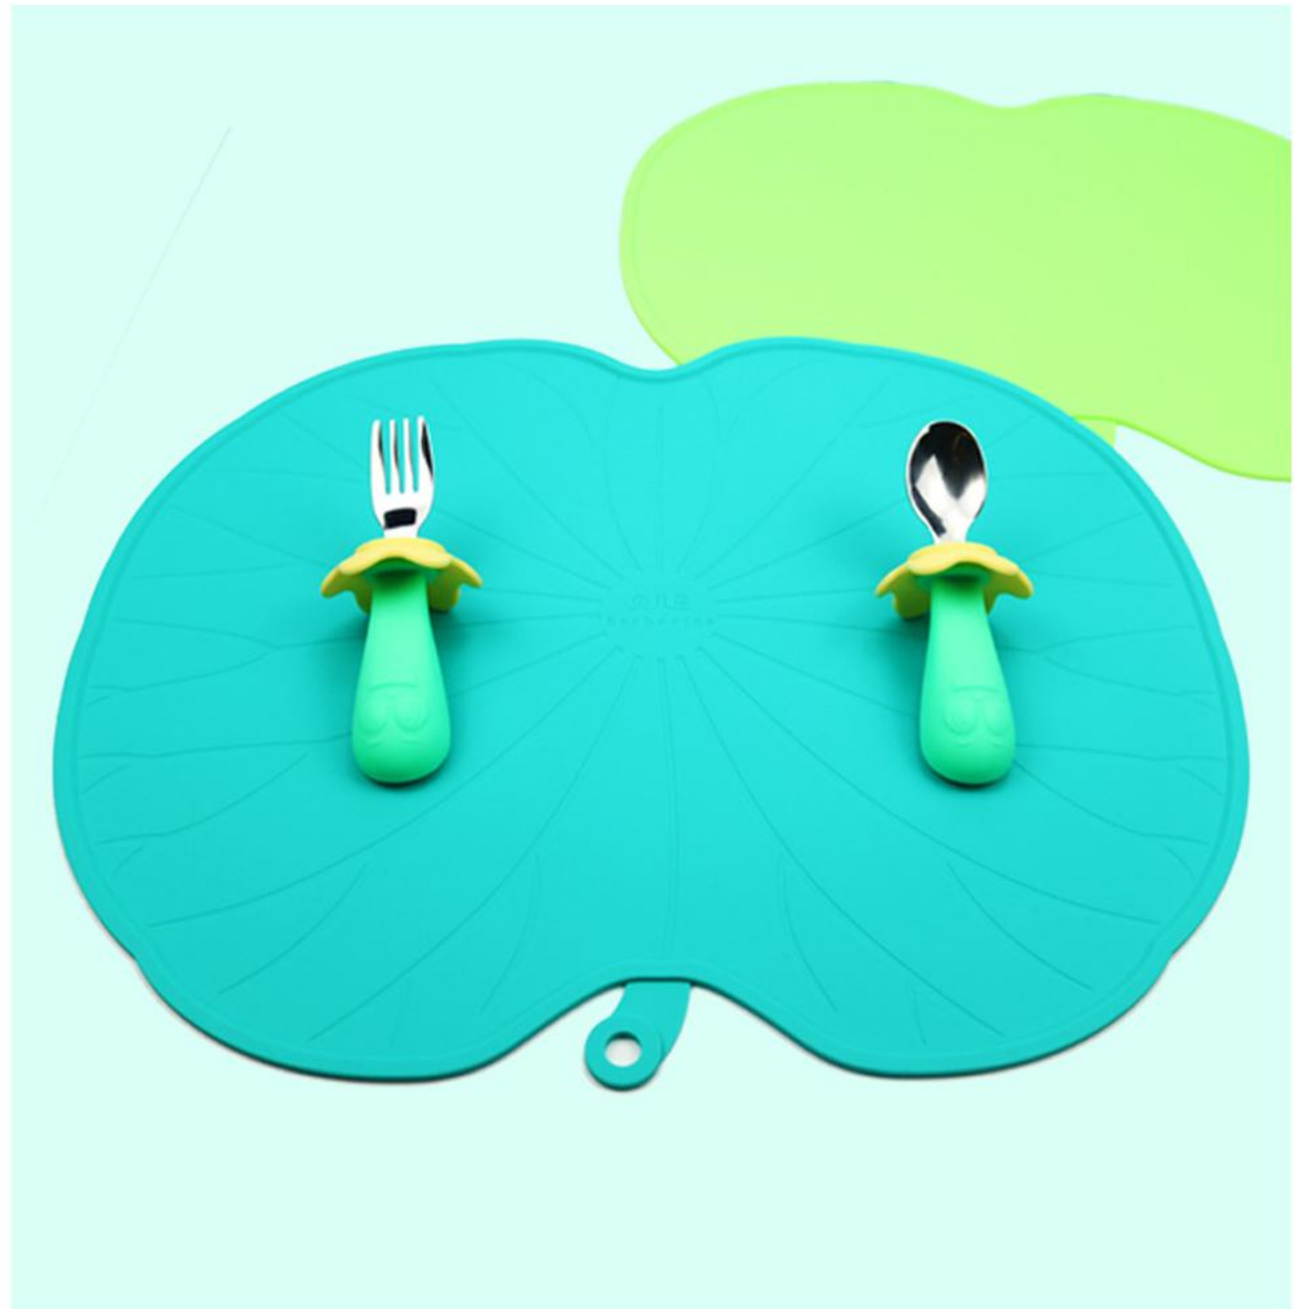

Size : 395*319mm **Weight :** 223g

Color : Green(Support customized color)

Suitable Age : 6 months old and above

Selling Point : Simulation of lotus leaf shape, border heightened, effective organization of soup and rice overflow, the back of the non-slip treatment, not easy to slide, lightweight foldable, easy to store, does not take up space.

Friendly Reminder : Due to different environments, there may be color differences when shooting, please prevail in kind!

Xiangyun Silicone Placemats

Material : Made of food-grade silicone, non-toxic and harmless, suitable for infants and young children to use

Size : 230*393mm

Weight : 160g

Color : Man Jiang Red, Goose Yellow, etc.(Support customized color)

Suitable Age : 6 months old and above

Selling Point : The edge of the heightened processing, effective organization of oil stains soup overflow, not bad for a long time; soft, lightweight and foldable, with hanging hole design, easy to hang storage, does not take up space.

Friendly Reminder : Due to different environments, there may be color differences when shooting, please prevail in kind!

Whale Print Silicone Placemat

Material : Made of food-grade silicone, safe and non-toxic, can directly contact with food

Size : 395*215mm

Weight : 139g

Color : Yellow, Rose, Blue(Support customized color)

Suitable Age : 6 months old and above

Selling Point : One-piece molding, easy to clean, raised edges, effectively stopping oil stains and other spills, lightweight and flexible, folded without deformation, can be hung to drain, does not take up space more convenient.

Friendly Reminder : Due to different environments, there may be color differences when shooting, please prevail in kind!

Silicone Graffiti Painting

Material : Made of food-grade silicone, safe and non-toxic, can be directly contacted

Size : 240*330mm.

Weight : 91g

Style : Alphabet Awareness, Space Travel, 6-color Paintbrush, Number Awareness, Fruit Awareness [without color pens] (support customization)

Selling point : A wipe that is clean, feel free to scribble, can be cleaned with water, does not leave traces, can be repeatedly used silicone doodle pad, exercise the child's thinking ability, as well as cultivate the ability to color matching.

Friendly Reminder : Due to different environments, there may be color differences when shooting, please prevail in kind!

Silicone Household Products

Bear Portable Dispenser Bottles

Material : Made of environmentally friendly silicone, safe and non-toxic, more assured use.

Size : 104*58*40mm

Weight /Capacity : 34g/70ml

Color : Khaki, coffee brown, aqua blue, pink(Support customized color)

Selling point : Silicone material is soft and shock-resistant, does not deform when squeezed, has a spiral bottle mouth and leak-proof lid, is well sealed and does not leak liquid, has a wide mouth that does not require a dispensing tool, is removable and washable, and can be rinsed with water.

Friendly Reminder : Due to different environments, there may be color differences when shooting, please prevail in kind!

Elephants Portable Dispenser Bottles

Material : Made of environmentally friendly silicone, safe and non-toxic, more assured use.

Size : 118*35mm

Weight /Capacity : 32g/50ml

Color : Warm yellow, green bamboo, etc. (Support customized color)

Selling point : Silicone material is soft and shock-resistant, does not deform when squeezed, has a spiral bottle mouth and leak-proof lid, is well sealed and does not leak liquid, has a wide mouth that does not require a dispensing tool, is removable and washable, and can be rinsed with water.

Friendly Reminder : Due to different environments, there may be color differences when shooting, please prevail in kind!

Portable Dispenser Bottles

Material : Made of environmentally friendly silicone, safe and non-toxic, more assured use.

Size : 97*36mm

Weight /Capacity : 32g/60ml

Color : Yellow, pink, blue(Support customized color)

Selling point : Silicone material is soft and shock-resistant, does not deform when squeezed, has a spiral bottle mouth and leak-proof lid, is well sealed and does not leak liquid, has a wide mouth that does not require a dispensing tool, is removable and washable, and can be rinsed with water.

Friendly Reminder : Due to different environments, there may be color differences when shooting, please prevail in kind!

Slim-Waist Threaded Refill Bottle

Material : Made of environmentally friendly silicone, safe and non-toxic, more assured use.

Size : 125*46mm

Weight /Capacity : 37g/70ml

Color : Camel, indigo blue, pink, grass green, etc.(Support customized color)

Selling point : Silicone material is soft and shock-resistant, does not deform when squeezed, has a spiral bottle mouth and leak-proof lid, is well sealed and does not leak liquid, has a wide mouth that does not require a dispensing tool, is removable and washable, and can be rinsed with water.

Friendly Reminder : Due to different environments, there may be color differences when shooting, please prevail in kind!

Diamond-Shaped Refill Bottle

Material : Made of environmentally friendly silicone, safe and non-toxic, more assured use.

Size : 115*42*37mm

Weight /Capacity : 34g/90ml

Color : Camel, indigo blue, pink, grass green(Support customized color)

Selling point : Silicone material is soft and shock-resistant, does not deform when squeezed, has a spiral bottle mouth and leak-proof lid, is well sealed and does not leak liquid, has a wide mouth that does not require a dispensing tool, is removable and washable, and can be rinsed with water.

Friendly Reminder : Due to different environments, there may be color differences when shooting, please prevail in kind!

Cat Paw, Tulip, Heart, and Star Shaped Refillable Bottles

Material : Made of environmentally friendly silicone, safe and non-toxic, more assured use.

Size : 93*58mm 93*70mm 81*70mm 82*51mm

Weight /Capacity : 29g/40-70ml

Color : Transparent yellow, transparent purple, etc.(Support customized color)

Selling point : Silicone material is soft and shock-resistant, does not deform when squeezed, has a spiral bottle mouth and leak-proof lid, is well sealed and does not leak liquid, has a wide mouth that does not require a dispensing tool, is removable and washable, and can be rinsed with water.

Friendly Reminder : Due to different environments, there may be color differences when shooting, please prevail in kind!

Diamond-Cut Refill Bottle

Material : Made of environmentally friendly silicone, safe and non-toxic, more assured use.

Size : 76*60mm

Weight /Capacity : 26g/40ml

Color : Translucent yellow, translucent pink, etc.(Support customized color)

Selling point : Silicone material is soft and shock-resistant, does not deform when squeezed, has a spiral bottle mouth and leak-proof lid, is well sealed and does not leak liquid, has a wide mouth that does not require a dispensing tool, is removable and washable, and can be rinsed with water.

Friendly Reminder : Due to different environments, there may be color differences when shooting, please prevail in kind!

Lipstick-Style Refill Case

Material : Made of environmentally friendly silicone, safe and non-toxic, more assured use.

Size : 97*37mm

Weight /Capacity : 26g/40ml

Color : Vermilion, matte red, orange red(Support customized color)

Selling point : Silicone material is soft and shock-resistant, does not deform when squeezed, has a spiral bottle mouth and leak-proof lid, is well sealed and does not leak liquid, has a wide mouth that does not require a dispensing tool, is removable and washable, and can be rinsed with water.

Friendly Reminder : Due to different environments, there may be color differences when shooting, please prevail in kind!

Silicone Coin Purse

Material : Made of environmentally friendly silicone, safe and non-toxic, more assured use.

Size : 95*65*35mm

Weight : 32g

Color : Lemon yellow, violet, azure blue, etc.(Support customized color)

Selling point : One-piece molding, bright colors that won't fade, meticulous workmanship, soft to the touch, waterproof and moisture-proof zipper that slides smoothly without getting stuck, small body with large capacity, easily holds all the small items you need for travel.

Friendly Reminder : Due to different environments, there may be color differences when shooting, please prevail in kind!

Silicone Big Square Bags

Material : Made of environmentally friendly silicone, safe and non-toxic, more assured use.

Size : 120*120*35mm

Weight : 81g

Color : Vibrant orange, lavender purple, etc.(Support customized color)

Selling point : One-piece molding, bright colors that won't fade, meticulous workmanship, soft to the touch, waterproof and moisture-proof zipper that slides smoothly without getting stuck, large capacity, easily holds all the small items you need for travel.

Friendly Reminder : Due to different environments, there may be color differences when shooting, please prevail in kind!

Silicone Toast Coin Purse

Material : Made of environmentally friendly silicone, safe and non-toxic, more assured use.

Size : 109*99*30mm

Weight : 47g

Color : Pink, orange, light blue, khaki(Support customized color)

Selling point : One-piece molding, bright colors that won't fade, meticulous workmanship, soft to the touch, waterproof and moisture-proof zipper that slides smoothly without getting stuck, large capacity, easily holds all the small items you need for travel.

Friendly Reminder : Due to different environments, there may be color differences when shooting, please prevail in kind!

Silicone Cookie Coin Purse

Material : Made of environmentally friendly silicone, safe and non-toxic, more assured use.

Size : 95*90*30mm

Weight : 30g

Color : Pink, orange, light blue, khaki(Support customized color)

Selling point : One-piece molding, bright colors that won't fade, meticulous workmanship, soft to the touch, waterproof and moisture-proof zipper that slides smoothly without getting stuck, small body with large capacity, easily holds all the small items you need for travel.

Friendly Reminder : Due to different environments, there may be color differences when shooting, please prevail in kind!

Ventilated Silicone Coin Case

Material : Made of environmentally friendly silicone, safe and non-toxic, more assured use.

Size : 226*128*67mm

Weight : 208g

Color : Black, pink, green(Support customized color)

Selling point : One-piece construction with meticulous craftsmanship and sturdy build quality. Can be customized for DIY projects. Features a soft-touch finish, waterproof and moisture-resistant design, and smooth-gliding zippers that never stick. Capable of holding large items such as smartphones, and can be worn as a backpack.
